- Maintained 8+ Grade (CGPA) in every semester.
- Engaged with organizing various cultural & fun events.
- Joined several college clubs in diverse fields:
  - **Google Developer Students Club** - AI ML Team Member
  - **Under 25** - Graphic Designer
  - **Avenue** - Editor-in-Chief
  - **Lasux-V** - Tech Team | Event Organizer

Freshmen & Sophomore Year - Science, Blossom Public School   07/2019 — 06/2021 | Pune, India
- Subjects Opted:
  - Physics
  - Chemistry
  - Math
  - Computer Science
- Grade: 78.8%
- Sophomore Year Coding Champ.
- Football Team Player in both years.

🤝 Organisations

IMUN 2020 Summit - UNDP Programme,   09/2020
European Country Representative

I volunteered in this UNDP Conference (United Nations Development Programme) & represented as a Latvian delegate to talk to about the Global trading problems between 2 or more countries faced by Latvia 🇱🇻 (country in Europe).

This was not a exactly a charity or fundraiser but the goal was to create awareness about the issues faced globally & I also published a research paper about it to generate maximum awareness with as much people as possible, as well as other Delegates who participated in the Online Conference.

This helped me gain a new perspective about the problems that other people face at daily basis that most people are not aware of & people who know don't know what to do about it since most of these people lack vision & other vital resources in order to make a change.

🎸 I Like

Travelling, Music, Reading, Video Games, Designing, Podcasts, Photography, Summer
